MARKING 40 YEARS OF EDUCATION EXCELLENCE

For four decades, INTI has been a trusted name in higher education, empowering generations of learners through academic excellence, innovation, and global engagement. In 2026, we mark 40 years of transforming lives and shaping futures through future-focused, high-quality education.

“With over 40 years of experience, we remain committed to driving change and preparing graduates with the mindset, skills, and agility to lead and shape the future.”

Dr Chong Kok Wai
Chief Executive Officer
INTI International University & Colleges

YOUR FUTURE BUILT TODAY

With decades of experience and a strong reputation in education, INTI remains committed to innovation and the delivery of future-focused learning. Our curriculum integrates academic rigour with practical relevance, equipping students to excel in a rapidly evolving global landscape. Through digital advancement, industry engagement, and international collaboration, INTI nurtures confident and adaptable graduates – prepared to lead, adapt, and contribute meaningfully across borders and industries.

Let's get started - your journey begins with us.

WHY INTI?

1000+ Industry Partners

INTI collaborates with more than 1000 industry partners including local and global organisations such as IBM, Google, FedEx, Shell, Unilever, Intel, Microsoft, Huawei, SAS, DELL and more.

100% Internship Placement

Good academic results are no longer sufficient to ensure the employability of students, therefore work experience in the form of internships is steadily becoming more important.

3000+ World Class Employer Projects

More than 3000 world class employer projects since 2010

Broad Range of Innovative Programmes

Accredited by the Malaysian Ministry of Education, INTI offers a wide range of innovative programmes from Pre-University to Postgraduate programmes.

Career Development

INTI Leadership Series - One of INTI's signature events that features top leaders from highly successful companies speaking to INTI students on topics related to leadership, innovation, entrepreneurship and strategies relevant to today's business.

Beyond Academic

INTI provides an enriching experience that enables students to find their true passion through on-campus events and activities organised by numerous clubs and societies. Through these activities, students are able to enhance their soft skills and talents.

Vibrant Community

Immerse yourself in a diverse and vibrant international community of over 16,000 students from 100+ countries.

World-Class Facilities

Experience unparalleled learning and growth in our signature world-class facilities and enjoy top-notch sports and recreational amenities for your well-being.

SUCCEED GLOBALLY WITH THE INTI EDGE

THE INTI EDGE

We Are INTERNATIONAL

Our internationally recognised education will enrich you with the right skills and attributes to excel at whatever you do and wherever you go.

WORLD RENOWNED COLLABORATIONS WITH PRESTIGIOUS UNIVERSITIES

INTI offers exclusive franchise degrees and dual award degree programs in partnership with some of the world's highest-rated universities. These partnerships enhance your academic credentials and provide access to prestigious institutions of higher learning globally. With opportunities to learn from international lecturers, participate in joint projects, and embark on international study tours, you will gain a truly global educational experience.

INNOVATIVE Teaching & Learning

INTI integrates an array of proven approaches to teaching combined with revolutionary applications of technology in the classroom such as the innovative Canvas Learning Management System.

INTI uses Canvas as our Learning Management System (LMS), providing customizable tools to enhance teaching and learning for students and lecturers. This user-friendly platform supports collaborative digital learning environments, fostering a holistic educational experience.

Canvas's robust features — such as Rubrics, Modules, Calendars, Quizzes, Syllabi, Discussions, Analytics, and SpeedGrader — enable instructors to provide dynamic and personalized learning experiences. The integration of Turnitin with the AI Detector feature helps maintain academic integrity and ensures high-quality educational delivery.

INTI collaborates with industry partners like IBM, AWS, LGMS, SAS and Alibaba GDT to integrate industry content into the curriculum. This enriches course content, enhances learning outcomes, and makes education more engaging and practical.

INDIVIDUAL Development

INTI endeavours to include practical experiences in every programme it offers. From practical workshops taught by local and international guest lecturers and industry practitioners who share the ins and outs of the working world, to hands-on practical projects initiated by potential employers.

DRIVING SUCCESS THROUGH INDUSTRY COLLABORATION

Over the years, INTI has built powerful collaborations with leading multinational corporations and major local organisations across diverse platforms. These partnerships drive innovative curricula, enrich classroom learning with real-world insights, and ensure our students develop into future-ready graduates. Through these strong industry connections, our students gain access to:

- Industry Awards / Scholarships
- Employer Projects
- Boot Camps and Career Workshops
- INTI Leadership Series
- Faculty Industry Attachments
- Coaching and Mentoring
- Industry Advisory Boards
- Industry Skills Certifications
- Employer Centric Curricula
- Internships and Job Placements

These initiatives ensure our graduates gain the skills, confidence, and job readiness employers demand.

Employer's Choice of University Award

Graduate employability is at the core of what we do. Our close industry ties and job-focused training make INTI a preferred source of talent, earning us the Employer's Choice of University Award by Talentbank's Graduate Employability (GE) Index for two consecutive years – **2024 and 2025**.

Our graduates are highly sought after. We prepare them to become world and future-ready professionals, equipped with the skills employers value most and the ability to contribute effectively in the workplace.

Our Industry Partners:

and many more

MASTER THE HEALING TOUCH

With a tradition stretching for hundreds of years, Traditional Chinese Medicine (TCM) incorporates a holistic approach to treating patients with a combination of acupuncture, dietary therapy, herbal medicine and more. INTI'S Bachelor of Traditional Chinese Medicine (Hons) degree prepares student to be fully trained medical practitioner, exposed to every aspect of TCM integrated with modern medical knowledge and empowered with the right soft skills to succeed.

As Malaysia's first fully accredited academic programme for Traditional Chinese Medicine, the programme is recognised by both the Malaysian Ministry of Health (MoH) and the Malaysian Qualifications Agency (MQA), enabling graduates to pursue careers in Malaysia and in other eligible countries.

ACHIEVE MASTERY OF MANDARIN AND ENGLISH - TWO OF THE WORLD'S MOST WIDELY SPOKEN LANGUAGES

The Bachelor of Traditional Chinese Medicine (Hons) is a bilingual programme that is conducted in both English and Mandarin with lectures and course materials conveyed in both languages. While a foundation in Mandarin is desirable, non-native speakers are able to undertake complementary elective courses at INTI to achieve a suitable level of fluency in Mandarin. Upon completion of the course, graduates will have achieved mastery of two of the world's most widely spoken languages.

PRACTICAL HANDS-ON COMPONENT

A robust practical component is integrated into the academic programme. As part of their course requirements, students will follow a clinical supervisor to be exposed to standard medical practices in Traditional Chinese Medicine in a medical practice in Malaysia. Students will receive guidance in patient diagnosis and in learning various TCM treatments under supervision. Upon graduation, students will have completed many hours of clinical attachment and hands-on training.

This hands-on component is an invaluable foundation when graduates undertake their housemanship programme after graduation. To gain international exposure, and as part of their training, selected students will also be called upon to attend global symposiums and talks as well as participate in voluntary humanitarian efforts.

PRESTIGIOUS PARTNER UNIVERSITY

TIANJIN UNIVERSITY OF TRADITIONAL CHINESE MEDICINE, CHINA

Established in 1958, TUTCM is a non-profile public higher education institution and has one of the best TCM hospitals in China. The University has excellent state-of-the-art learning environment with distinguished teaching faculties, and is the forerunner in TCM research and development.

INTI TCM PATHWAY

**the credit requirements for Mathematics and Science subjects can be waived should students hold any other higher qualifications which contain Mathematics and Science subjects with equivalent/ higher achievement

FOUNDATION IN SCIENCE

This programme prepares students for admission into science-related degrees in INTI. It is designed to equip students with a solid fundamental knowledge of their field of study, which includes Physics, Chemistry, Mathematics, English and Basic Computing.

Learning approach

Students will be introduced to various active learning methodologies such as Problem-based Learning, group discussions and projects, helping them to develop academically in areas like study skills, presentation skills, research skills and time management, which are all prerequisites for academic success. This will further enhance their critical and analytical skills, preparing them for the demands of the workplace.

Assessment

Assessment of individual courses in the Foundation Programme consists of two components:

- Continuous course work (50%)
- Final examination (50%)

The continuous course work component comprises different assessment tasks such as projects, assignments, laboratory work, presentations, tests, and others as assigned throughout each semester. The final examination is conducted at the end of each semester. The assessments are subject to quality assurance procedures to maintain high standards and ensure fair assessment.

MASTER OF TRADITIONAL CHINESE MEDICINE

The Master's in Traditional Chinese Medicine (TCM) is designed to elevate professional expertise and expand career opportunities. This programme is ideal for TCM undergraduates seeking advanced knowledge, practising physicians aiming to enhance diagnostic and treatment skills, and educators looking to deepen their teaching and research capabilities.

Upon completing the programme, graduates will possess a comprehensive understanding of TCM theory, advanced clinical skills, and a competitive edge for careers in medical institutions, research, academia, and beyond. This programme not only refines professional abilities but also contributes to the ongoing development of the TCM field.

HEAR WHAT OUR ALUMNI SAY

“The Traditional Chinese Medicine (TCM) degree I obtained from INTI has equipped me with the skills I need in my practice and collaborations with medical practitioners all over the world. I am glad that whilst at INTI I was strongly encouraged to participate in extracurricular activities because this helped mould me into the person I am today. An achievement I am particularly proud of is to have helped establish Malaysia’s very first University Traditional Chinese Medicine Aid Team.”

ETHAN LING LII CHAU
TCM Practitioner, PinPoint Physio & Acupuncture
Bachelor of Traditional Chinese Medicine (Hons)

“I had the honour of being the 19th INTIMA Student Government President, which gave me the chance to meet people from different cultures and backgrounds. I am thankful to INTI for providing me a wealth of opportunities. It gives me great pride to call myself an “INTIian” and I love sharing with people about my university life.”

KEW TAT LIM
Traditional Chinese Medicine (TCM) Practitioner, Mediseed Chinese Medicine Consulting Centre
Bachelor of Traditional Chinese Medicine (Hons)

“INTI has provided me with a strong foundation in the field of Traditional Chinese Medicine (TCM). The lecturers are amazing. They guided me with patience through the process of learning ancient Chinese characters and its application using modern allopathic medical concepts. The programme also led me to further my Master’s Degree at Nanjing University of Chinese Medicine. Thank you to all TCM lecturers for their unwavering support.”

JEFFRI TAY KAI WEN
Internal Medicine Physician
Yi Fang Chinese Medicine Clinic, Batam, Indonesia
Bachelor of Traditional Chinese Medicine (Hons)

“I chose INTI because it was the first university to receive MQA (Malaysian Qualifications Agency) recognition for its Bachelor of Traditional Chinese Medicine (TCM) degree. I definitely benefited from the bilingual English and Mandarin medium of instruction and am also thankful for INTI’s scholarship. Besides my mother, the tremendous support from seniors, lecturers and faculty staff gave me the strength to go on and has led me to where I am today.”

SER XIN EE
Chinese Physician cum Association Liaison Officer,
Malaysian Chinese Medical Association (MCMA)
Bachelor of Traditional Chinese Medicine (Hons)

“I thoroughly enjoyed campus life at INTI. There was good food nearby and I built many lasting friendships. In my opinion, INTI has the best lecturers and curriculum to help prepare students for the working world. When I graduated with my degree, I felt ready and confident to treat patients and share ideas. Thanks to INTI, I have a job where I can apply my skills, learn new skills and build my career.”

LEE YU JIE
Chinese Physician & Acupuncturist, Zhao Xi TCM Centre Sdn. Bhd.
Bachelor of Traditional Chinese Medicine (Hons)
